Jen:

For Wednesday - can we also discuss the following:

- Where the COPC Mapping stands?
- What is the status of the 8-mile ROD Model and the related information that the CPG requested?

Thanks

Rob

Rob,

Apologies for the delayed response - I had to take some leave late last week.

I have to touch base with Ray this morning to see if we could chat later today or tomorrow.

Jen:

Have you a time(s) for a call on Monday? Mike and I will be participating on the call. Bill is traveling that day.

Thanks
